

The Newsletter

Welcome to our Christmas newsletter!

As Christmas approaches, we're reflecting on everything we've been involved in this year and preparing for an exciting 2025!

We'd like to thank all of our colleagues who have collaborated with us on our courses, and you for reading this newsletter!

This year, we've delivered over 30 courses, attended and presented at conferences, submitted papers to journals, had a stand at the Hospice UK conference (thank you to everyone who stopped by to say hello and ask questions!), experienced changes within both our core and Trustee teams, and developed new courses while continuing to deliver our established ones.

It's truly time to celebrate!

Hospice UK Conference

Congratulations to Dr Bristow who won our £250 course voucher competition!

It was fantastic to be at Hospice UK!
Thank you to everyone who came to see us.
