

OXFORD PALLIATIVE CARE ACADEMIC NETWORK

AUTUMN RESEARCH SHOWCASE

Discover. Connect. Be Inspired.

Tuesday 30th September 2025 9am- 3pm

You're warmly invited to the Palliative Care Research Autumn Research Showcase 2025 — celebrating innovative research, fresh ideas, and collaborative thinking in palliative and end-of-life care.

Join colleagues from across Oxford for a vibrant gathering of researchers, clinicians, students, and partners, all working to improve care for those with serious illness. Expect rich discussion, diverse topics, and opportunities to network, reflect, and be inspired.

The Research Showcase will conclude with networking tea and coffee, where you will have the opportunity to meet our frontline colleagues from the Rapid Intervention for Palliative and End of Life Care (RIPEL) project. You are welcome to stay on for our RIPEL Celebration Event, if you would like to, which will end with tea, coffee, and cakes at 4:00 pm.

We look forward to welcoming you!

Free to attend— but spaces are limited. Lunch, tea, and coffee will be provided. Register now! Scan the QR Code or click on this [Registration Link](#).

For any further details, please contact pallcareresearch@ouh.nhs.uk.

**Venue: Lecture Room, Sobell Study Centre, Sobell House
Churchill Hospital , OX3 7LE**
